

ReThink Prayer

November 27, 2011

First, pray that God will allow you to see people as He sees them. Pray then that, having seen them that way, He will give you compassion for them.

Second, pray for laborers who will go into the harvest fields with the Gospel.

Third, pray for someone you know who is a part of the harvest. Pray by name for someone who needs Jesus as Savior using the following model:

God,
I pray for my friend _____.
I'm asking that You would set _____ apart so that You might begin to work in his/her life.

Bless _____! I ask that You would pour out Your goodness, so that my friend will be drawn to You.

Holy Spirit, show _____ that he/she is guilty of not believing in Jesus. Bring conviction so that my friend might know that You are what he/she needs. Tear down the wall in _____'s mind, whatever it is, that is keeping him/her from being able to believe, and save my friend!

Use me; use anyone to share the truth of Your love so that he/she can experience life in You and be sure of salvation. I'm begging You for my friend, _____, in Jesus' name. Amen!
